III. General professional experience:

For most of my career I have had a transactional practice focused primarily on corporate bankruptcy and restructuring matters. I have represented lenders, debtors, bondholders, creditors' committees and other parties in interest in all phases of Chapter 11 and other cases under the Bankruptcy Code, and in out-of-court restructurings. My practice has often centered on the representation of indenture trustees and purchasers of troubled companies. I have appeared pro hac vice in bankruptcy cases in jurisdictions throughout the United States.

IV. General pertinent experience:

V. Mediation training:

American Bankruptcy Institute / St. John's School of Law 40 Hour Bankruptcy Mediation Training Program, December 2014, Certification of Completion

VI. Pertinent bankruptcy training:

I typically work on matters ranging in size from lower mid-market companies to multi-billion dollar enterprises. My recent representations reflect this; in the last couple of years I have represented indenture trustees in large and complex cases such as *Basic Energy Services, Inc.*, Case No. 21-90002 (Bankr. S.D. Tex.) and *Valaris plc*, Case No. 20-34114 (Bankr. S.D. Tex.), and the creditors' committee in a mid-market case, *Medley LLC*, Case No. 21-10526 (Bankr. Del.). Other recent representations include *Tonopah Solar Energy*, Case No. 20-11884 (Bankr. Del), in which I represented an acquirer of assets under a chapter 11 plan, and *Achaogen, Inc.*, Case No. 19-10884, in which I represented a purchaser of assets in a section 363 sale.

I have had the fortune of being involved in numerous large and fascinating cases over the years, such as *R.H. Macy & Co.* and *Owens Corning*, and in *Asia Global Crossing*, Case No. 02-15749 (Bankr. S.D.N.Y.), I represented the first mainland Chinese company to acquire a U.S. company through a sale in a Chapter 11 case. In *Barzel Industries, Inc.*, Case No. 09-13204 (Bankr. D. Del.), and *Contessa Premium Foods, Inc.*, Case No. 11-13454 (Bankr. C.D. Cal.), I served as debtors' corporate counsel.

While I focus much more on the transactional rather than the litigation aspects of bankruptcy and restructuring, I appear in court and argue motions on a fairly regular basis. Please see, for example, *Geltzer v. Our Lady of Mt. Carmel – St. Benedicta School*, 502 B.R. 124 (Bankr. E.D. N.Y 2013); *In re Quality Stores*, 289 B.R. 324 (Bankr. W.D. Mich. 2002).

Business Experience:

I left the practice of law in 1995 and was a founder and managing member of Westchester Brewing Company, which was the first brewery to operate in Westchester County since the days of Prohibition. After a year spent developing the business plan and raising over \$1.3 million in startup debt and equity financing, it opened in September 1996 as a brewery and 150 seat restaurant. Although we exceeded \$1.5 million in annual revenue, we were unable to generate positive cash flow and Westchester Brewing Company filed for bankruptcy under Chapter 11 of the Bankruptcy Code in 1998. My partners and I sold the business and I returned to the practice of law.
